## Important Reminders:

Parents,

I sure hope that your kiddo has told you about their "Reading Buddies"! This year, we are partnered up with Mrs. Brummett's Kindergarten class. They come into our room on Fridays for about 30 minutes to read with someone from our class. It is wonderful to see the students take ownership in reading to/with their Kindergarten buddy! Ask them about their buddies, I'm sure they will have plenty to tell you!

# Remember!!!

Research shows that just 15 minutes of reading a day seems to be the “magic number” at which students start seeing substantial positive gains in reading achievement. Students who read just over a half-hour to an hour per day see the greatest gains of all.

Please keep track of the books that your child reads each week! Send this back, completed, each Friday. Your child will get a treat, if complete!
