WHY BE A CERTIFIED HEALTHY SCHOOL?

- When you apply for the Certified Healthy Recognition Program, you may be eligible for the Certified Healthy Incentive Grants.
- When you apply for the Certified Healthy Recognition Program, you may help your community to apply for the Certified Healthy Community Incentive Grants.
- Did you know Oklahoma has the 11th highest childhood obesity rate and the 9th highest adult obesity rate in the United States?! WOW!

When you apply for the Certified Healthy Recognition Program, you are providing a healthy environment for students and employees, along with supporting an overall healthier Oklahoma! By creating a healthy school environment for students and schools you can not only improve academic performance, but also help support lifelong healthy habits and contribute to future generations of thriving, productive adults.

- **Over 600 schools applied for the Certified Healthy Recognition Program in 2016. This Year, 932 schools applied for the Certified Healthy Recognition Program! Together we are creating a Healthier Oklahoma.**
