CLASSROOM NEWS:

We are off to a great start for the school year! I have been so impressed with how resilient these kiddos have been. They have taken on the new classroom procedures like CHAMPS! I am very proud and pleased with how nicely this school year has started. Since the last school year ended so abruptly, we will be reviewing 2nd grade information until Labor Day. After that date, we will start having weekly reading assignments, math assignments, and spelling words with spelling tests. I didn't want to overload the students with new information. I am trying to get a good base for the knowledge that they currently have. Please reach out to me if you have any questions, comments, or concerns! All of my contact information is listed below. I have a lot of useful information on my Robin Hill website.

DATES TO REMEMBER:
