CLASSROOM NEWS:

- I've had a few parents e-mail and inquire about spelling tests. We are simply reviewing until Labor Day. Once we start working on new 3rd grade material, I will send home spelling words and weekly vocabulary words every week in the Monday folder. These will also be available on my Robin Hill website.
- This past week, I tested all students on sight words from 1st-3rd grade. I am sending the results home with this week's Monday folder. Please practice these words with your kids nightly. We will test again on them in December. PLEASE don't let them get behind on these words.
- All grades from the last two weeks are up to date in the online gradebook. If you don't have access, please let me know and I will get with Ms. Carol and will get you information sent home on how to get access. Any grade below a "60" has the word "redo" written up top. It is the student's responsibility to redo this and turn it back in to me. If a student has a "redo" paper, I have spoken with them when I returned it to them.
