

WHAT WE ARE LEARNING:

Reading:

We are reading "Bravo, Tavo!". We are focusing on summarizing and point of view.

Spelling:

We are studying inflectional endings -ed, -ing, & -es.

English:

We are working on subject and object pronouns.

Math:

We are finishing up time intervals and will test on Chapter 11. Chapter 12 will start Measurement.

Science/Social Studies:

We are learning about "Ancient Life" and "Changes in Oklahoma's Environment".

Here's the
tea...

CLASSROOM NEWS:

- Test Taking Tip #1
 - **Prioritize Attendance & Homework:** Tests are ultimately intended to be a measure of how well students have learned the material being taught in class. With that in mind, what is the best (and most straightforward) piece of test-prep advice for parents is to do what you can to ensure that your child is fully engaged with his or her classwork throughout the year. Set aside dedicated homework time each night to make sure that your child is completing their assignments consistently throughout the year. If you're responsible for transporting your child to school, make sure your own commitments aren't making them late to class. Or, if it's their responsibility to catch the bus or drive themselves, make sure they are sticking to a schedule that gets them to class on time every day. When students arrive late, they miss important announcements, information review, and new concept introduction. And of course, only allow your child to stay home from school when it's truly necessary.

DATES TO REMEMBER:

March 15-19, 2021:

Spring Break--NO SCHOOL

April 26-30, 2021:

STATE TESTING
